If the purchaser finds that they are unable to provide a safe, viable, caring home for the dog anymore that we **must** be contacted. Upon contacting us we will have the **option** to buy the dog back for **up to half of the original purchase price**. The original purchase price of the puppy on the date of sale is \$_____. The purchaser will give the seller 3 business days after

contacting the seller to decide if they want the dog back. The purchaser also understands that they must hear back from the seller with written permission (i.e. text, email, or letter) to rehome the dog. If the seller (Miranda or Dennis Johnson) decides that they want to get the dog back, the purchaser agrees to meet half-way with the seller, if the purchaser is more than 3 hours away from the seller by car. Seller is not responsible for travel expenses. If we are failed to be contacted and we find out that the dog has been rehomed without our written permission, we have the right to take the dog back without having to pay anything. We also have the right to fine the purchaser \$500 for breaking this contract. Both parties agree that the welfare of the dog so binds the parties in their mutual desire to protect the puppy/dog.
